Headteacher's message

Sukkot

On Tuesday, we were lucky enough for Mr Rosenberg to come and join each class with their time in our school Sukkah. Here, classes were able to discuss the importance of Sukkot in Judaism, understand what the Lulav and Etrog represent and say the blessings. We also had some time to reflect on the past year and think about which important and loving people in our lives we would like to share our Sukkot experience with, if we were to celebrate it at home.

Art

Within Art this term, Year 6 have been exploring Photography and how it can be used within mixed media. We were inspired by Edvard Munch and his artwork 'The Scream' to create our own versions with a modern day spin which replicated the mood and expression of the original painting.

History

On Monday, Year 4 had the amazing opportunity to step back in time and visit the Ragged School Museum in Mile End, East London as part of their History topic 'Children's lives in the past.' We were fortunate enough to experience a Victorian classroom setting for the afternoon and quickly discovered how much patience and kindness teachers nowadays have, compared to those in the Victorian times. The pupils were brilliantly behaved and took every opportunity to complete all the activities and tasks at hand, even if it was quite difficult to write everything down on a small, square chalkboard. Well done Year 4!

thank
you

It is that time of the month again where the staff are treated to a delicious breakfast by our lovely Mosaic parents. On behalf of all of us, I would like to say toda raba (thank you very much). It is a special treat for us all to come together and catch-up over such wonderful food!

As we end our first half term, I would like to thank all of the staff and pupils for all of their hard work. I hope you all have a restful half term and I look forward to seeing everyone on Monday 4th November.

Shabbat Shalom

Mrs Gyepi-Garbrah
