Headteacher's message

Thank you

I would like to start this weeks newsletter by saying an enormous thank you to Nicole Constantopoulos for applying for a grant to enable us to develop the mud kitchen and flower beds in the playground. I would also like to thank the company that she works for, QVC. As part of their employee program, staff are encouraged to offer their time to support others. Nicole was fortunate to have the support of her colleague, Carla Reveron on Tuesday to build our fantastic new mud kitchen, which has been a extremely popular with all children.

As you can see, the children have had a great time in the mud kitchen already!

English - Reading and writing

Year 1 have been exploring the story of Halibut Jackson by David Lucas for the past few weeks. It is a story about a boy overcoming shyness through an invitation by the Queen to a tea party. Throughout this text unit the children have been writing character profiles and worked on retelling the story. After working so hard it was only fitting to end this text unit with our own afternoon tea party. The children enjoyed organising, preparing and hosting this lovely event where family members were treated to a range of delicious food and drinks.

Sukkot

Wednesday marked the beginning of the seven days of Sukkot which is an important week in the Jewish calendar. All around the world, Jews remember the 40 years the Israelites spent in the desert after being freed from Egypt by Moses. During this time, they lived in tents made of palms so families and communities spend time in tents that have at least 3 sides and have roofs made of natural materials that are partly open to the elements. I am very excited to share with the Mosaic community that our brand new Sukkah is in place in the dance studio and all children across the school will have time in there over the next week. We would not have been able to make this large purchase without the generous donations from the Mosaic and wider community, during the Champions Fundraising event a couple of years ago. On behalf of the Mosaic community - Thank you.

A reminder to all parents/carers that we are closed on Thursday 24th October and school is open on Friday 25th October.

To all of our families who are celebrating Sukkot, 'Chag Sukkot sameach.'

I hope you all have a restful weekend and I look forward to seeing everyone on Monday for our final week of half term.

Shabbat Shalom

Staff Star of the Week

Our 'Staff Star of the Week' this week was a very tricky one; however, during a learning walk, I popped into Ms Guzman's phonics session and I was blown away by how engaging and purposeful the session was. All of the children were able to share the new spellings that they had learnt, including a tricky one added by Ms Guzman; I can't wait to come back. Keep up the great work!
