Headteacher's message

We have had another fantastic week at Mosaic; it has been great to see the children working hard and fully immersing themselves in the learning.

Reception

A huge well done to our new reception children for completing your first full week as a whole class. You have made all of us very proud of how well you have started school and settled into the routines.

Attendance

From Monday 23rd September, if you are reporting your child's absence from school, please email absence@mjps.org.uk by **9.15am** outlining why they cannot attend school. Please **do not** email the class teacher or call the office, unless it is an emergency.

Open day

We have a number of open mornings for prospective parents throughout the autumn and spring term. To give the new parents a snapshot of life at Mosaic, we would love a group of existing parents to join us for the open mornings (9.15am - 10.15am). If you would like to be part of our open day volunteer team, please sign up on the link below.

[Open Day Volunteer Sign up](#)

Asda Cashpot for schools

If you sign up to the Asda Cashpot for schools event, every time you shop with Asda Rewards until the 30th November 2024, Asda will donate 0.5% of your total spend to our school. You will also receive £1 in your rewards cashpot.

School Trips - Parent Volunteers

In the coming weeks we have a number of class trips taking place to further enrich the learning for the children. To ensure that they are able to take place, we may reach out for parent volunteers. If you are able to attend any of your child/ren's class trips, please speak directly to the class teacher. So many of our school trips would not have taken place without the support of our parent volunteers of which we are extremely grateful.

There may be times where we have more parent volunteers than spaces on the trip and I must ask parents to not attend the trip independently as this can be disruptive for the children.

Children and Smartphones

PaJeS are delighted to offer a session on Zoom to parents and carers of Primary school children focusing on "Our Children and Smartphones" which will take place on 24th September 2024 at 8pm. Please use the link below to sign up.

Pupil Headship Team

Myself and Mr Barker would like to say a big congratulations to our new Pupil Headship team (see below). It was an extremely difficult decision to make as all applicants impressed us with their confidence and ideas of how they can support the school.

I look forward to working with our new Headship team throughout the year.

Design and Technology

This week, Year 4 have been putting their engineering skills to the test in our DT sessions as we have been designing and making our own Slingshot cars for a class competition. We have been looking at the difference between Potential and Kinetic energy and also discussed different key factors that need to be taken into consideration when wanting the car to be able to travel as far as possible. We have been completing the structure of the car this week and next week, we will start to design the exterior - so watch this space!

We are excited to announce that the whole school will be celebrating European Day of Languages on Thursday, 26th September 2024.

This is a great event that helps promote the love and importance of learning additional languages. Each year group has been assigned a European country for the day, and the pupils will be completing fun, hands-on activities based around their chosen country and learning some of its language too.

The countries won't be revealed until that day, however all children are allowed to dress up in their own clothes using the colours of the country's flag.

The colours are as follows:

Reception: yellow, red, green

Year 1: black, red, yellow

Year 2: red, blue, white

Year 3: white, red

Year 4: white, red

Year 5: red, white, blue

Year 6: green, red, white

If you have any questions, please don't hesitate to contact your class teacher.

I hope you all have a lovely weekend and I look forward to another fun-packed week of learning next week.

Shabbat Shalom

Miss Garbrah

Attendance

Class	Whole class Attendance
Reception - Wheat Aleph	89.4%
Year 1 - Barley Aleph	96.9%
Year 2 - Grape Aleph	98.4%
Year 3 - Fig Aleph	94.8%

Staff Star of the Week

The start of the school year is always a busy time, especially when starting a new school; however, Coach Steve has thrown himself into life at Mosaic and has stood out this week for a number of reasons. Not only has he brought a fantastic energy to all his PE lessons and when supporting children in class, but he has also donated a number of resources to the school for our children to use during PE and Mosaic time. A HUGE thank you to Coach Steve from the Mosaic Family.

Admin

Arbor

Please can we ask all parents to ensure that they register and log in to Arbor, our school system. This is where parents and carers can book **school trips**, **wraparound care**, **after school clubs** and update yours and your child's **details**. All parents must check that **contact information**, **dietary requirements**, **medical information**, **permissions** and **all information** we have is up-to-date and correct. If it is not, please update it on the app. This information is imperative to ensure that we are able to fully meet the needs of every child.

Thank you to all of the parents who have reached out for support with any technical Arbor issues. We are aware that there are some parents who continue to have problems with the app. We are working with Arbor to resolve these issues. Please ensure that you contact admin@mjps.org.uk if you have any problems.

School Lunches

To ensure that Harrisons are up-to-date with any allergies or dietary needs, please can you complete the form linked below and return it to the main office. We will then share the information with the catering team. The full process including the form for parents can be found here:

Allergen form and process

Government Tax Free Childcare Account

If you use the Tax Free Childcare Account, please make sure that you email admin@mjps.org.uk with your child's TFC number, the total amount you have sent and a clear breakdown of how much is to be allocated to different clubs, e.g. Ballet £20, ASC £50, Breakfast club £20. This will ensure that we can correctly add the funds to your Arbor account.

If you are using TFC for wraparound care, you are unable to book unless you have funds in Arbor account. Please allow 48 hours to be allocated once you have emailed the office.

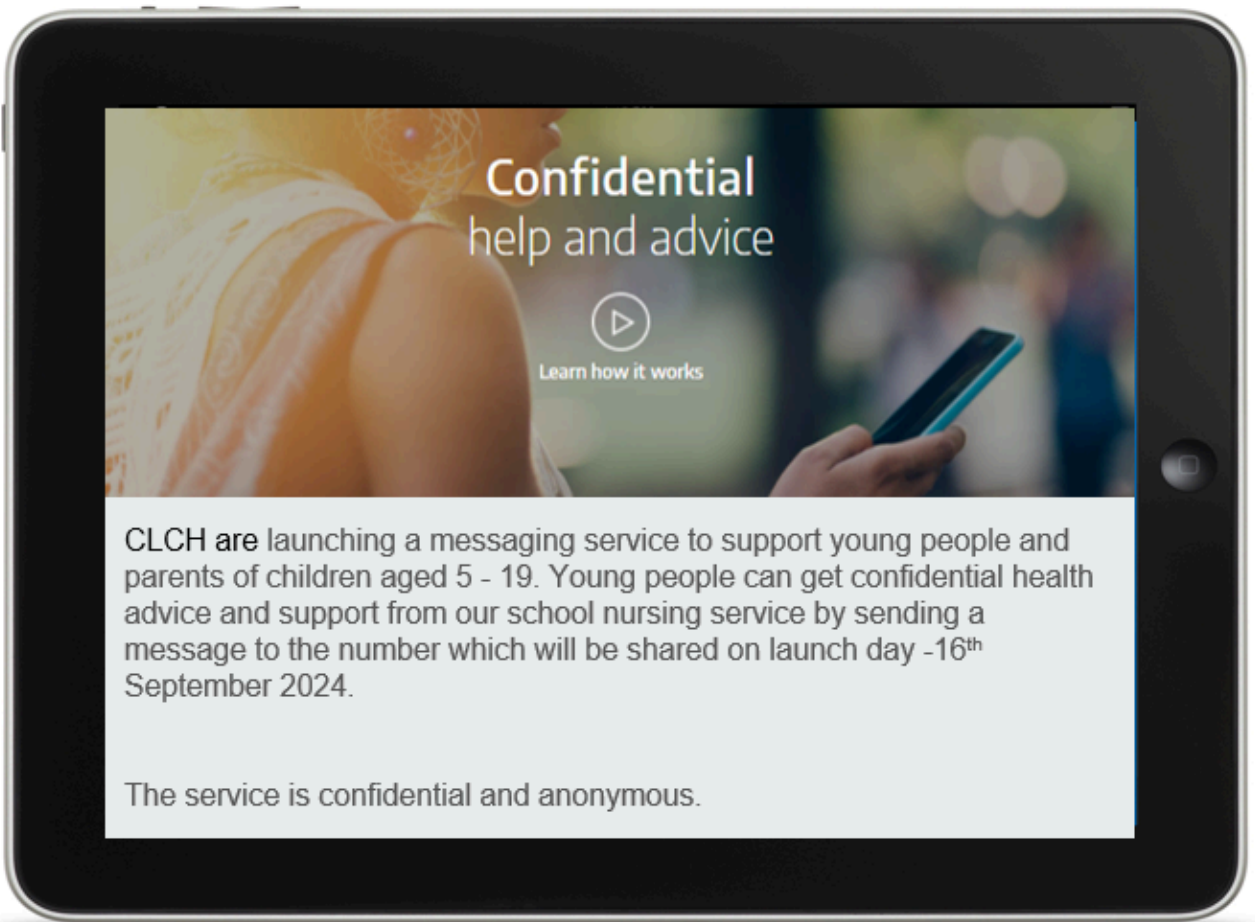

If you would like to find out if you are eligible to use the TFCA, please click the link below.
